2010/2011 school year

UNIFORM PURCHASE OPTIONS

All students enrolled for the 2010/2011 school year are required to purchase school uniforms, preferably from the Griffin Foundation School District. Each uniform item by the French Toast Company has the GF logo or mascot on it and our prices are very low compared to most stores. Your support will ensure that our students learn in a positive environment and experience an enriched education. To provide an alternative uniform location for parents to purchase, view, or have their child try on school uniforms, we have listed below the address and directions of an alternative uniform store that carries a K-12 uniform brand:

Garment Graphics
220 W Fort Lowell Road, Tucson, AZ 85705
<http://www.garmentgraphics.net>
(520) 545-1222

Directions: Garment Graphics is located on W. Fort Lowell between Stone Avenue and Oracle Road, on the right-hand of the street heading west. Inform the store representative that you are from the Griffin Foundation School District.

If school uniforms are purchased from an outside uniform vendor, parents will need to bring the uniforms to the school for approval of color, style, and condition before their child can start school. The Griffin Foundation School District will imprint our school logo for only \$2 per item. Parents, please allow one week turn around for uniform logo imprints to be completed and ready for pickup.

Thank you for your understanding and cooperation.

Sincerely,
Mr. Griffin
Superintendent
