Free On-Site Learning Opportunities and Support Services

Beginning on August 17, 2020, we will begin offering free on-site learning opportunities and support services for students who need a place to go during the school day.

- Please be advised that free on-site learning opportunities and support services are not teacher-led classroom instruction. However, free on-site learning opportunities and support services will include in-person support services such as student supervision and strategic support for students in need during standard school hours and may include teacher-led or paraprofessional support for students engaging in distance learning instruction.

- If you believe your child needs a place to go during the day, please contact the front office at (520) 790-8400 or gfsdnotices@griffinfoundatio.org to discuss whether your child qualifies for this service. The Arizona Department of Education currently describes this service as a “safe learning space for students who are at-risk, in special education programs or who are the students of essential workers.” For more information on this service and qualifications, please visit our website at www.griffinfoundation.org.

- Please be advised that free on-site learning opportunities and support services may be suspended or terminated if the School or the Arizona Department of Health Services advises closing the premises for public health reasons or in the best interests of the staff and students.

To learn more about our free-onsite learning opportunities and support services, please visit the School’s website at www.griffinfoundation.org. The details of these services may be modified based on additional guidance from ADE. Updates will be posted on the School website.
